

# User guide

## Classic & Mini Classic

### LEAFIELD litter products

**Cleaning** Products should be rinsed with clean water and then washed with a mild detergent solution using a bristle brush or sponge. Care should be taken not to apply undue pressure that may damage labels. Flush clean with water after washing. Non heated pressure washer can be used at no closer the 400mm away from the unit. The Pressure should be no more than 100 Bar.

**Quality Standards** All Leaffield Environmental products are certificated to BS EN ISO

**PPE** Always wear appropriate PPE equipment and follow safety guidelines.

**Tools**  
Plastic key as supplied

### Unlocking and opening door

1 Insert key and turn clockwise until stop. Lock will pop out and release

2 Twist bin top anticlockwise until it stops.

3 Lift top upwards and off the bin.
