

# User guidelines

## LEAFIELD litter bins

### Round Heritage Range

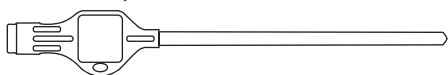

**Cleaning** Products should be flushed with clean water and then washed with a mild detergent solution using a bristle brush or sponge. Care should be taken not to apply undue pressure that may damage labels. Flush clean with water after washing.

**Quality Standards** All Leaffield Environmental products are certificated to BS EN ISO

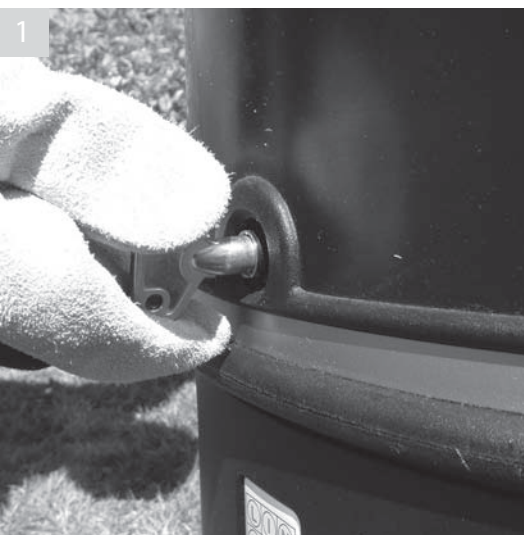

**Tools Key:**

**PPE** Always wear appropriate PPE equipment and follow safety guidelines.

#### Unlocking and removing hood

Insert key and turn clockwise until stop. Lock will pop out and release

Gripping bin apertures twist hood anticlockwise until stop

Lift the hood upwards clearing the bin liner, place on ground

Round heritage litter bins can be supplied with either plastic or metal liners

#### NOTE:

LEAFIELD does not operate a refuse collection system. This must be arranged by the customer.

## Removing and replacing liner

4

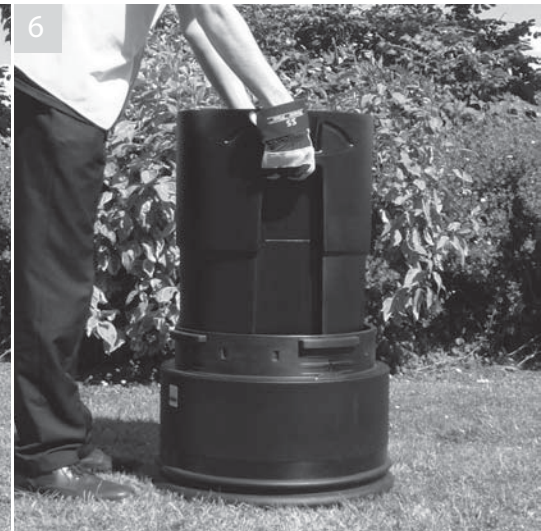

Grip liner using the two handles

5

Lift liner upwards clearing the bin base and empty

6

Using handles to grip replace liner

## Replacing hood and locking

7

Replace hood and twist clockwise until it drops to its lowest point on base

8

Continue to twist hood clockwise until it will rotate no further

9

Push lock in to engage

## Open top heritage

1

The open top round heritage connects and releases from the base in the same way as the Round heritage

2

Lift hood using rim to grip. Remove and replace liner as with round heritage
