

User guidelines

LEAFIELD litter bins

Hippo

Cleaning Products should be flushed with clean water and then washed with a mild detergent solution using a bristle brush or sponge. Care should be taken not to apply undue pressure that may damage labels. Flush clean with water after washing.

Quality Standards All Leaffield Environmental products are certificated to BS EN ISO

Tools Key:

PPE Always wear appropriate PPE equipment and follow safety guidelines.

Unlocking and removing hood

Insert key and turn clockwise until stop. Lock will pop out and release

Twist bin top and lift until it releases

Lift hood up and clear of bin body

NOTE:

Leaffield does not operate a refuse collection system. This must be arranged by the customer.

Removing and replacing liner

Grip liner using two handles

Lift liner upwards clearing bin body and empty

Using handles to grip, replace liner

Replacing hood and locking

Replace hood onto bin body and twist until it drops to its lowest position

Rotate the hood in the desired direction until a step is reached.

Push lock in to engage
